Clubhouse Fun Center, 70 Jay Scutti Blvd, Henrietta NY 14623

RJBM club tripled in membership from 2014 RBM youth club participation.

RJBM member Rein Golub fished the NY BASS Nation Junior State Championship at Onondaga Lake 5/31/15 and finished high enough to qualify for the National Championship!

\*\*\* 2015 was a busy first year for the Rochester Junior Bassmasters. With the help of Fred Blom, the required paperwork and filing was completed to officially form the RJBM. We held four youth tournaments from shore and in RBM member boats. To encourage community service we held an appreciation hotdog lunch for the Greece Police Department officers. We encouraged environmental responsibility volunteering at the NYS BASS Fed Braddocks Bay invasive species weed pull. To supplement sponsorship and encourage members to earn money toward our budget we held a hotdog fundraiser at Bass ProShops Auburn. We tripled the membership from 2014 by expanding our recruitment outside of RBM member's relatives. Most importantly we formed many new friendships, focused on Ethics, Sportsmanship, and Conservation!

Please feel free to contact me via email, text, or phone with any questions,

Kurt Keller  
RJBM Youth Tournament Director
